## PUBLIC NOTICE

### EXTENSION OF DEADLINE FOR BSE TSHIPIDI MENTORSHIP PROGRAM 2022 APPLICATIONS

---

The public is hereby informed that the Botswana Stock Exchange (BSE) has extended the deadline for applications for admission into the BSE Tshipidi Mentorship Program (TMP) 2022 from 18<sup>th</sup> March, 2022 to 8<sup>th</sup> April, 2022.

This decision has been taken to ensure that the BSE has a large pool of diverse companies partaking in this year's Program. Hence, this extension will avail an opportunity for more companies to submit their applications due to the high interest.

Applicants are duly reminded that submissions should be in writing stating why they should be admitted into the Program. Applicants should e-mail the motivation letter, certificate of incorporation and company profile to [mentorship@bse.co.bw](mailto:mentorship@bse.co.bw). The BSE will evaluate all submissions and invite successful companies to participate.

The TMP is a strategic initiative introduced in 2019 to provide practical training to potential issuers through a comprehensive and interactive program that covers the key themes necessary to position a company to list. The Program is administered by experts within the capital markets ecosystem and seeks to bridge the gap between companies, the BSE, advisors, investors and leaders of already listed companies
