INCREASE OF SHAREHOLDING IN MORUPULE SOUTH RESOURCES (PTY) LTD

The Board of Shumba Energy Limited (“Shumba”) is pleased to notify its shareholders and the public that Shumba, through its subsidiary Sechaba Natural Resources (Pty) Ltd (“Sechaba”) has increased its shareholding in Morupule South Resources (Pty) Ltd (“MSR”) to 97.5% from 75%. Shumba made a further investment of approximately BWP 7 million by acquiring additional shares in MSR, issued by way of a rights issue.

The Morupule South Mine (“MSM”) owned by MSR has measured resources of 110 million tonnes, indicated resources of 173 million tonnes as well as an inferred resource standing at 2.16 billion tonnes bringing the total JORC compliant resources to 2.45 billion tonnes. The MSM project has over 1.2 billion tonnes amenable to open cast mining with 83% of the resources coming from the Morupule main seam. Study results confirm robust economics across all MSR development scenarios. Benchmarked against other southern African domestic mines, MSR’s low mining costs and high coal quality make it one of the most attractive new projects in the region.
