AUDITED FINANCIAL STATEMENTS 2017

We were unable to publish the financials on or before the 31st of March 2018. This was prompted by:

- The appointment of new auditors (on rotation) for the audit of the 2017 financials and the mission that comes with familiarizing themselves with our operations and the risks.
- The accounts are currently in draft status and still need to be reviewed and approved by the Board.
- The financials will be available on or before the 19th of April 2018.

By Order of The Board
