The Directors of Letlole La Rona Limited ("LLR") wish to advise all shareholders that the Company is still in negotiations to acquire a significant shareholding in a group which carries on the business of property investment.

The successful conclusion of the negotiations may have a material impact on the value of the Company’s shares.

The potential transaction is distinct from the one alluded to in the cautionary announcement dated 13 September 2019.

The Directors therefore advise shareholders to exercise caution in the trading of their LLR securities.
