

PUBLIC NOTICE: TSHIPIDI MENTORSHIP PROGRAM 2019

The Botswana Stock Exchange (BSE) would like to thank all SMEs who expressed interest in participating in the Tshipidi Mentorship Program (TMP) 2019. The Tshipidi Mentorship Program Coordinating Committee has now completed the evaluation of all submissions. Due to capacity considerations, only twenty (20) shortlisted companies have been contacted and will begin the first session of the program on 18th June, 2019.

We thank everyone who applied for the program and hereby advise that the BSE will retain all unsuccessful submissions for the next series of the TMP in the 2020 Calendar Year.
