NEW ISSUE, APPENDIX 3B

A-Cap Resources Limited ("A-Cap" or "the Company") is pleased to announce an issue of ordinary fully paid shares to London based Resources Fund, Praetorian Resources Ltd ("Praetorian").

Praetorian has been formed by experienced fund managers and mining industry experts, all with a successful track record in the resources sector, including uranium. Their board encompasses Mark Hohnen the former Executive Chairman of Kalahari Minerals PLC who was instrumental in the development and recent sale of Kalahari to China Guangdong Nuclear Power Holding Corp, Fund Manager Richard Lockwood founder of the Geiger Counter Uranium Fund and a director of A-Cap and Andrew Ferguson, CEO of China based Resource Investment Company APAC Resources Limited. The fund is backed by a range of global institutions and natural resources investors.

A-Cap has entered into a Share Placement Agreement and a Share Exchange Agreement with Praetorian, a company currently listing on the Alternative Investment Market of the London Stock Exchange ("AIM"), with the listing date expected to be 9th July 2012. Under the terms of the agreements which are conditional on Praetorian’s admission to AIM:

- A-Cap will allot 9,166,667 ordinary fully paid shares to Praetorian at an issue price of 15 cents cash, to raise $1,375,000. Settlement of the placement and allotment will occur five business days after Praetorian’s admission to AIM (the “Placement”).

- A-Cap will allot 18,333,333 ordinary fully paid shares to Praetorian at an issue price of 15 cents and in exchange Praetorian will allot to A-Cap, 3,536,750 ordinary fully paid shares at an issue price of 50 pence together with 1,768,375 options exercisable at 70 pence expiring July 2015. Both the Praetorian shares and options will be listed and freely tradeable. Settlement of the exchange of shares will occur today, 5th July 2012 ("Share Exchange").

The Share Exchange and Placement will provide A-Cap with an aggregate of AUS $4.1 million of additional cash and marketable securities. Funds raised by the placement and subsequent disposal of the Praetorian shares will be used to advance exploration activities and the Feasibility Study on the Company’s Letlhakane Uranium Project in Botswana.

The Share Exchange and Placement will be made pursuant to Section 708 of the Corporations Act and in accordance with Listing Rule 7.1 of the ASX Listing Rules.

Commenting on the issue, CEO Paul Thomson said, “We are pleased to have the support of Praetorian and welcome them onto our register. It is a strong mark of confidence in A-Cap that Praetorian and their backers, who have such wide experience and knowledge of the uranium sector, have chosen to get behind A-Cap with financial backing and support for its Letlhakane Uranium..."
Project. This funding, which is a scarce commodity in the current equity market, will be used to advance feasibility work and move Letlhakane further along the road to development and production.”
