Dear Shannon,

**Discovery Metals Limited – Voluntary Suspension Request**

As discussed, Discovery Metals Limited (Discovery Metals) requests that an immediate voluntary suspension be granted by ASX with respect to Discovery Metals’ securities (ASX code: DML).

In accordance with ASX Listing Rule 17.2, Discovery Metals provides the following information:

1. The voluntary suspension is requested pending the release of an announcement to the market in connection with the re-profiling of the debt under the Project Finance Facility and the Single Currency Revolving Facility Agreement with the Company’s lenders (Debt Re-profile). The voluntary suspension is requested, as otherwise trading in Discovery Metals’ securities may occur in an uninformed market.

2. Discovery Metals requests that the voluntary suspension continue until it is in a position to make an announcement to the market concerning the Debt Re-profile.

3. Discovery Metals expects that an announcement concerning the Debt Re-profile will trigger the lifting of the voluntary suspension.

4. Discovery Metals is not aware of any reason why the voluntary suspension should not be granted.

Yours faithfully

Paul Frederiks
Company Secretary
Discovery Metals Limited
