1. INTRODUCTION

1.1. PrimeTime proposes to enter into Related Party Transactions with Time Botswana in terms of which Time Botswana will provide Development Management and Project Management Services to PrimeTime in respect of the Development of Setthana 1 and 2.

1.2. In addition to the above, the PrimeTime Group proposes to enter into Related Party Transactions with Time Zambia, in terms of which Time Zambia will provide Development Management and Project Management Services to Ataraxia and Lukuzye in respect of the Development of Munali Mall and Choma Mall in Zambia respectively.

1.3. The Agreements are conditional upon approval by the Unitholders of PrimeTime, as these Transactions constitute Related Party Transactions.

1.4. The purpose of this Circular is to comply with the Listings Requirements regarding the Transactions and by (i) providing Unitholders with information relating to the proposed Related Party Transactions (ii) to convene an EGM at which Unitholders will be asked to approve the Related Party Transactions; and (iii) information on the Rights Issue which is provided in Section 5 of this Circular.

2. NATURE OF THE RELATED PARTY INTERESTS

2.1. The nature of the Related Party interest is that the PrimeTime Group and the Time Projects Group share common directors of which some of them have a direct and indirect equity interest in both the PrimeTime and Time Botswana holding companies. The nature of the Related Party interest is as follows:

2.1.1. Alexander Lees (Sandy) Kelly is a director of PrimeTime and Time Botswana and is also indirectly interested in Linwood Services Limited that controls 49% of Time Botswana and 46,755,269 Linked Units in PrimeTime, representing 25.99% of the Linked Units in issue. Alexander Lees (Sandy) Kelly is directly interested in 1.6% of the issued capital of Time Botswana. His interests in PrimeTime are set out in the table below at paragraph 30.

2.1.2. Mmoloki Tumile Morolong is a director of PrimeTime and Time Botswana and has direct and indirect interest in 6,000 Linked Units in PrimeTime. His interests in PrimeTime are set out in the table below at paragraph 30 of this Circular.

2.1.3. Joanna Jones is the Company Secretary of PrimeTime and a director of Time Botswana and has direct and indirect interest in 28,000 Linked Units in PrimeTime.

2.1.4. Clifford Lance Ian Ferreira is a director of Time Botswana and owns 24.7% of the issued equity of Time Botswana and also indirectly owns 3,363,292 Linked Units in PrimeTime, representing 1.87% of the Linked Units in issue.

2.1.5. Brett Anthony Malin is a director of Time Botswana and owns 24.7% of the issued equity of Time Botswana and also indirectly owns 3,363,292 Linked Units in PrimeTime, representing 1.87% of the Linked Units in issue.

2.2. Secondly, both Time Zambia and Time Botswana are advisors to the PrimeTime Group as they provide asset management and property services in terms of the asset management and property services agreements. They have an executive management responsibility for the PrimeTime Group in the jurisdictions of both Zambia and Botswana. In accordance with the Asset Management Contract between the PrimeTime Group and the Time Projects Group a 1.5% acquisition fee is payable to Time Projects Group on the Developments.

3. MUNALI MALL TRANSACTION

3.1. Background to the Munali Mall Transaction

3.1.1. PrimeTime acquired the Munali Property in February 2017 through the acquisition of all of the shares in Lulupa, which beneficially owns all the shares in Ataraxia for a consideration of USD4.75 million, approximately (BWP49.9 million). The acquisition of Lulupa constituted a Category 4 transaction and therefore was not subject to Unitholder approval.

3.1.2. The Munali Property is located, on the north side of the Great East Road, between the City Centre and the Airport in a central suburb of Lusaka. The 20,000 Sqm site is surrounded by a mixture of low, medium, and high cost housing.

3.1.3. The Munali Mall which will extend to approximately 6,000 sqm shall be anchored by Shoprite and also includes Hungry Lion, Pharmacy Direct, Vision Care and Pep amongst the tenant mix. A total of 67% of the Munali Mall has been leased or is under offer prior to the commencement of the Development.

3.1.4. The Development is expected to cost USD13.4 million (approximately BWP140.7 million) (including the acquisition of the land) once complete and provide a Net Rental Return of at least 10.3%. In April 2017, the Independent Valuer, valued the proposed complete development at USD15.1 million, (approximately BWP158.6 million).

3.2. Details of the Munali Mall Transaction

Time Zambia shall be engaged to provide Project Management and Development Management Services for the Development of Munali Mall. Time Zambia shall provide Project Management services at a flat rate 3.5% and Development Management services at a flat rate fee of 2.5%.

4. CHOMA MALL TRANSACTION

4.1. Background to the Choma Mall Transaction

4.1.1. PrimeTime has secured an option to acquire the Choma Property for a sum of USD1.0 million (approximately BWP10.5 million), the potential acquisition of the Choma Property will constitute a Category 4 transaction and therefore will not be subject to Unitholders approval, however Unitholders will be advised of further developments in due course. The Choma Property is held on a land lease agreement held by Lukuzye, which PrimeTime has negotiated an option to purchase subject to minimum leasing hurdles being met as provided in clause 4.1.3.

4.1.2. The planned Choma Mall will provide the first major formalised retail facility in Choma, the administrative capital of the South-Western Province of Zambia. The town is approximately 284 km south-west of Lusaka and 193 km north of Livingstone. The population of Choma is estimated to be close to 250,000.

4.1.3. Negotiations are at an advanced stage with potential anchors for the proposed development. The PrimeTime Group has an option to acquire the site once an anchor tenant of acceptable quality has signed to the scheme the total size of which will be determined by the level of tenant demand but is expected to be between 4,000 and 7,000 sqm. Depending on the final configuration, the completed Development is expected to cost between USD8 and USD10.5 million (BWP 84 – 110.25 million) once complete and provide a US$ Net Rental Return of 9.5-12%. In April 2017, the Independent Valuer valued the maximum proposed complete development at USD10.65 Million, (approximately BWP 111.8 million).

4.2. Details of the Choma Mall Transaction

4.2.1. Time Zambia shall be engaged to provide Project Management and Development Management Services in the Development of Choma Mall. Time Zambia shall provide Project Management services at a flat rate 3.5% and Development Management services at a flat rate fee of 2.5%.
The acquisition of the Setlhoa 1 Property by PrimeTime is subject to development covenants as provided in terms of the Tribal Land Rules and Regulations of Botswana which requires that a development on Setlhoa 1 be made before a cession of lease occurs over the property. PrimeTime and Bluetez have entered into an agreement in terms of which Bluetez has agreed to cede its rights in terms of the Setlhoa 2 lease. A copy of the agreement is available for inspection at the Registered Office. Once the Development of Setlhoa 2 is complete, PrimeTime shall have lease ownership over Setlhoa 2. The potential acquisition of the Setlhoa 2 Property will constitute a Category 4 transaction and therefore will not be subject to Unitholders approval, however Unitholders will be advised of further developments in due course.

The Board is of the opinion that these investments diversify the PrimeTime Group’s exposure in Zambia and Botswana and are consistent with the continued growth strategy for the portfolio. The PrimeTime Group’s stated intention is to expand and diversify its investment portfolio through the development of high quality properties and the acquisition of standing assets.

The intention is to fund the expansion by way of a Rights Issue, which is further provided for in Section 5 of this Circular, and in due course through the raising of further debt.

The proposed retail developments in Zambia are backed by strong anchor tenants in the case of the Munali Mall, and the Choma Mall shall only progress once an anchor of sufficient strength has been secured.

The independent research reports provided by Fernridge demonstrate a clear demand for the proposed retail facilities in Zambia as demonstrated by their scores of 75% (categorised as 'Excellent') and 72% (Good) for Munali and Choma respectively.

The potential developments in Setlhoa are located in the rapidly developing north of Gaborone. Both schemes come with promising tenant bases, and in the case of the Setlhoa 2 scheme, a potential long-term tenant.

The Transactions will enhance the long-term yield achieved on the PrimeTime Group’s portfolio, create long term Unitholder wealth and improve the overall risk profile of the PrimeTime Group’s portfolio of properties through the diversification of the portfolio in geographical, sectoral and currency terms.

The Transactions are subject to the fulfillment of the following conditions:

1. the Unitholders of PrimeTime approving the development of the Munali Mall and the entering of the Project Management and Development Management Agreements between Atravasa and Time Zambia for Munali Mall which constitutes a Related Party Transaction at the EGM;
2. the Unitholders of PrimeTime approving the development of the Choma Mall and entering of the Project Management and Development Management Agreements between Lukuze and Time Zambia for Choma Mall which constitutes a Related Party Transaction at the EGM;
3. the Unitholders of PrimeTime approving the development of Setlhoa 1 and entering of the Project Management and Development Management Agreements between PrimeTime and Time Botswana for Setlhoa 1 which constitutes a Related Party Transaction at the EGM;
4. the Unitholders of PrimeTime approving the development of Setlhoa 2 and entering of the Project Management and Development Management Agreements between PrimeTime and Time Botswana for Setlhoa 2 which constitutes a Related Party Transaction at the EGM; and
5. the directors of PrimeTime and Time Botswana, approving and ratifying the
8. FUNDING OF THE TRANSACTIONS
PrimeTime intends to raise approximately BWP 200 million net of expenses by way of a Rights Issue to enable it to carry out the Developments in Botswana and Zambia.

9. RECOMMENDATION BY THE DIRECTORS OF THE RELATED PARTY TRANSACTIONS
9.1. The Board believe that the future growth and sustainability of the PrimeTime Group will be enhanced as a consequence of the Developments and recommend Unitholders vote in favour of them:
9.2. The following salient motivating factors support the recommendation from the Independent Directors:
   9.2.1. PrimeTime has developed nine shopping centres in Botswana spread between Gabrione, Gaborone, Francistown, Lobatse, Serowe and the recently completed Pilane Crossing. As is the case in Botswana, a lack of available investments in Zambia means there is a necessity to take development risk if the portfolio is to expand there:
   9.2.2. The opportunities to develop the Munali and Choma Malls complement the PrimeTime Group’s existing retail offering in Zambia with the recently acquired Kabulonga Mall and the Chirundu development. Many of the same tenants as secured at Kabulonga and Chirundu will form the occupier bases of the new developments which will assist in establishing the PrimeTime Group as a significant player in the market:
   9.2.3. Time Botswana and its subsidiaries have a successful track record in developing shopping centres. In addition to the projects held within the PrimeTime portfolio, Time Botswana has independently delivered Mongola Mall in Kanye, which currently runs at 100% occupancy and was built on similar principals to the Munali and Choma Malls:
   9.2.4. PrimeTime is utilising the services of the Independent Valuer, a leading property consultancy in the country with a very good knowledge of tenant demand and market rentals to secure tenants for the developments:
   9.2.5. Rentals in Zambia are predominantly US$ denominated which will diversify the PrimeTime Group’s income stream.
9.2.6. The Development of the Sethoia 1 and Sethoia 2 projects offers opportunity to expand in the Botswana market where standing investments are difficult to source:
   9.2.7. The proposed project on the Sethoia 1 site offers flexibility and can be adjusted to suit tenants requirements. The proposed ‘Décor Park’ concept will be unique in Botswana and feedback from potential occupiers is positive:
   9.2.8. The potential Sethoia 2 project offers a rare opportunity to secure a long-term tenant seeking to consolidate in a new headquarters facility. The site offers a number of alternative uses should PrimeTime not be successful in securing the occupier referred to in paragraph 6:
   9.2.9. The reports by the Independent Valuer place the values of the completed projects at Sethoia 1 and Sethoia 2 at very close to the estimated development costs in both instances:
9.10. PrimeTime has an established track record in delivering developments which have enhanced the PrimeTime Portfolio as it has evolved. In light of the strong relationships Time Botswana has in the Botswana market and its proven track record in delivering new developments, the Board recommends entering into Project and Development Management agreements in respect of the Munali Mall, the Choma Mall, Sethoia 1 and Sethoia 2:

10. PROPERTIES ACQUIRED IN THE PRECEDING 3 FINANCIAL YEARS
10.1. MUNALI PROPERTY - Lusaka, Zambia
10.1.1. PrimeTime acquired the Munali Property in January 2017 through the acquisition of Lufupa, a company based in Mauritius which indirectly owns 100% of the share capital of Ataraxia Limited, a Zambian registered company which holds a single asset, the Munali Mall:
   10.1.2. The acquisition was concluded for a consideration of $4.75 million (BWP 49.9 million):
   10.1.3. The Munali Land is zoned for a shopping centre and was purchased with Shoprite and Hungry Lion amongst others already secured as anchor tenants for a proposed development on the site:
10.2. KABULONGA MALL - LUSAKA, ZAMBIA
10.2.1. Unitholders approved in December 2016 the acquisition of shares in Luongo, a company based in Mauritius which indirectly owns 100% of the share capital of Tilson Limited, a Zambian registered company which holds a single asset, the Kabulonga Mall:
   10.2.2. The acquisition concluded in January 2017 for a cost of USD 17.3 million (approximately BWP180.1 million at that time) with a guaranteed Net Rental Return of 9.25% in the first year of operation:
   10.2.3. The Kabulonga Mall comprises 7,500 square metres of prime retail space in the upmarket Kabulonga neighbourhood in central Lusaka. The centre is anchored by Pick n Pay and Woolworths and has a strong tenant base which includes; Mr Pricz, First National Bank Zambia, Stanbic Zambia, Standard Chartered Zambia, Pizza Hut, Nandos, KFC, Mugg & Bean, MTN and LG:
   10.2.4. The purchase of the property was funded through PrimeTime’s bond issue in 2016:
10.3. PWC Office Park – Lusaka, Zambia
10.3.1. In May 2016, Unitholders were advised that the PrimeTime Group had acquired a commercial office park comprising in excess of 4,000 sqm of prime offices in central Lusaka, known as the PwC Office Park. The property encompasses three separate buildings, each leased to the following occupiers, namely; Cavmont Bank, PwC and John Snow International (since vacated). PwC Office Park is situated at part of Stand No. 2374, Thabo Mibeki Road, Lusaka and was acquired for US$8.8 million (approximately BWP93.2 million at that time)
   10.3.2. The legal agreements for the sale of the PwC Office Park by Rumpuns Trading Limited, a company incorporated in the Republic of Zambia and having its registered office at Electra House Lusaka, to PrimeTime provided normal warranties and allocation of risk:
   10.3.3. This acquisition was funded by a US$5 million loan sourced from a commercial bank in Zambia and the balance from existing debt resources from PrimeTime.
10.4. Pilane Crossing – Pilane, Botswana
10.4.1. In June 2015 Unitholders voted in an extraordinary general meeting to approve that the Company enter into a Related Party Transaction with Time Botswana, for the development of a retail centre on land previously acquired by PrimeTime at Tribal Lot 439 Pilane, through the acquisition of all the issued shares in Amatrix.
   10.4.2. The property has subsequently become known as Pilane Crossing and was
opened in September 2016. The purchase price of all the issued shares in Amatrix which owns Tribal Lot 439 Plane was BWP6.1 million and the development of the retail centre on Tribal Lot 439 Plane was BWP104 million.

10.4.3. The aggregate purchase price payable for the land and development thereon as detailed above, being BWP104 million, was discharged by way of:

10.4.3.1 disposal proceeds of BWP70.8 million on the sale of Barclays Plaza and Blue Jacket Square in December 2015, and

10.4.3.2 the remaining balance through cash funded from existing debt resources.

10.4.4 This property has yet to be valued as a completed property but the initial valuation (pre-development and excluding phase two) as provided by the Independent Valuers in February 2015 was BWP96 million.

11. FINANCIAL EFFECTS OF THE DEVELOPMENTS

11.1. The following table is a summary of the financial information relating to the Developments, the detail of which is included elsewhere in this circular:

11.2. Having considered that the Valuation Reports are in excess of the projected Development Cost, the rates of return achievable and the price of comparative transactions in Zambia and Botswana, the Directors of PrimeTime are of the unanimous opinion that the value to the PrimeTime Group of these Developments fully justifies the investment to be made.

12. STATEMENT OF INDEBTEDNESS

12.1. At the Company’s annual general meeting held on Wednesday 3 February 2010, Unitholders resolved that the Board be authorised to raise or borrow such sum or sums of money for the purposes of acquisition of property(ies) as shall not exceed 66% of the value of the assets of the Company and the value of any property(ies) to be acquired from time to time.

12.2. As at 31 August 2016, the Company’s financial year end, PrimeTime had third party debt of BWP455 million and cash and cash equivalents of BWP49 million. The value of PrimeTime’s assets at 31 August 2016 was BWP1 008 million. The total cost of the Developments are approximately BWP331 million. Accordingly, the maximum level of borrowing permitted under the borrowing powers of the Board is BWP884 million. This leaves a balance of BWP429 million, after consideration of the level of borrowings as at 31 August 2016.

12.3. On 6th December 2016, the Company announced the issuance of a further BWP210 million of unsecured notes through the Domestic Medium Term Note Programme.

12.4. On 10 April 2017, the Company announced the issuance of a further P30 million of unsecured notes through the Domestic Medium Term Note Programme.

12.5. Post 31st August 2016, the Company has made the following additions to its assets as disclosed in paragraph 10 above, Pilane Crossing BWP11 million, Kabulonga Centro BWP180.1 million and the Munali Property BWP49.9 million.

12.6. The Developments will be financed from the Rights Issue and in due course the raising of long-term debt finance.

12.7. The Company has secured finance from a number of lenders to fund the acquisition of properties. The specific details of these obligations are disclosed in Annexure 2 of this Circular.

12.8. As indicated in paragraph 13 below some of the proceeds of the Rights Issue will be applied to settle a portion of the long term debt that comprises amortising loans to enhance the cash flow efficiency of the Company.

13. IMPACT ON EARNINGS PER LINKED UNIT

Based on the forecasts and the assumptions as to finance costs as set out above, the Board is of the view that the impact of the Developments thereon as anticipated in the Agreements on earnings per Linked Unit will be positive to PrimeTime in the medium to long term. This is demonstrated by the forecast of free cashflow following the pipeline projects and the Rights Issue below.

SECTION 5: SALIENT DETAILS RELATING TO THE RIGHTS ISSUE

15. DIRECTORS’ OPINIONS AND RECOMMENDATIONS

The Board is of the opinion that the terms and conditions of the Agreements to be entered into are fair and reasonable and will be to the long-term benefit of the PrimeTime Group and its Unitholders. Accordingly, the Board recommends that Unitholders vote in favour of the ordinary resolutions necessary to approve the Related Party Transactions and implement the Agreements. The directors who are Unitholders, other than Mr Alexander Lees (Sandy) Kelly and Mr Tumile Morolong who are Related Parties, intend to vote in favour of the said resolutions.

16. VOTING AT THE EGM

A simple majority is required to pass the resolutions as set out in this Circular. Mr Kelly, Linwood Services, Mr Ferreira, Mr Marin, Mrs Jones and Mr Morolong will not vote at the EGM nor will they be taken into account in determining a quorum at the EGM as they are deemed to be Related Parties.

17. PURPOSE OF THE RIGHTS ISSUE

17.1 PrimeTime intends to raise approximately BWP200 million net of expenses by way of a Rights Issue to enable it to carry out the Developments in Botswana and Zambia and for other working capital requirements of PrimeTime.

17.2 The Developments form part of the Company’s strategy to grow and diversify the portfolio in the interest of growing long-term unitholder wealth.

17.3 The Rights Issue is considered by the Board to be the most suitable means of raising the required capital.

18. DETAILS OF THE RIGHTS ISSUE AND ACTION TO BE TAKEN BY QUALIFYING UNITHOLDERS

18.1 Details of the Rights Issue

18.1.1 The Company intends to raise approximately BWP200 million net of expenses, by way of a Rights Issue of 64,760,484 Offer Linked Units. The Offer Linked Units are being offered to Qualifying Unitholders on the register at the close of business on the Record Date on the following basis and as otherwise set out herein:-

- for every 100 Linked Units held: 36 Offer Linked Units

18.1.1 and so in proportion for any greater number of Linked Units held.

18.1.2 Any allocation of Offer Linked Units that would result in fractional entitlements will be dealt with in the following manner:-

18.1.2.1 If the fraction is less than one-half of an Offer Linked Unit it will be rounded down to the nearest whole number; and

18.1.2.2 If the fraction is equal to or greater than one-half of an Offer Linked Unit, it will be rounded up to the nearest whole number.

18.1.3 The Offer Linked Units will, when issued and fully paid, rank pari passu in all respects (including in terms of both voting rights and dividends) with the existing ordinary Linked Units of the Company and will be fully paid up and freely transferrable. The Offer Linked Units do not have any convertibility or redemption provisions.

18.1.4 The renounceable Letters of Allocation contain details, to which Qualifying Unitholders are entitled, as well as the procedure and the accompanying forms of instructions to be followed by Qualifying Unitholders for the sale and/or renunciation of all or part of their Letters of Allocation and the acceptance of the rights offer by exercising their allocation rights. The renounceable Letter of Allocation contains full details regarding acceptance, payment, and registration.

18.2.2 Letters of Allocation can only be traded on the BSE by those Qualifying Unitholders who have Dematerialised Linked Units on the CSDB and therefore Unitholders who, following the mandatory dematerialisation of listed securities by the BSE, hold their Linked Units in the Omnibus account will have to open CSDB accounts and have the Transfer Secretary deposit their Linked Units and thus allow them to become Qualifying Unitholders and thereafter have their respective Letters of Allocation deposited to their CSDB accounts to enable them to trade them on the BSE.

I, Timothy Ware, Chartered Surveyor, and Registered Valuation Surveyor in terms of the Valuation Surveyors Registration Board as defined by the Valuation Surveyors Act (cap 207) of the Laws of Zambia, with 31 years’ experience undertaking valuations of fixed property, declare that I and my associates have inspected the property, with the view to determining the market value as at 30 September 2018.

In assessing the Projected Market Value of the subject property we have a forecast based on the information made available to us by the client of the value at a future date of 30 September 2018.

I am of the opinion that the Projected Market Value of the property as at the 30 September 2018 is as **US$ 10 653 000** (Ten Million Six Hundred and Fifty Three Thousand United States Dollars).

There is no material contravention of statutory requirements.

I consent to my name being stated in the form and context in which it will appear in the circular to be issued by the company on 19 May 2017 and confirm that I will not withdraw such consent prior to the date issue of the circular.

I, David James Watson, Chartered Surveyor with 30 years experience undertaking valuations of fixed property, declare that I and my associates have inspected the 2 properties as set out in the attached table below, with a view to determining the market value as at 1st April 2017.

Projected Market value is defined as “The estimated amount for which an asset or right in an asset is expected to exchange at a date, after the date of valuation and specified by the valuer, between a willing buyer and a willing seller in an arm’s length transaction after proper marketing wherein the parties have each acted knowledgeably, prudently and without compulsion.” In assessing the Projected Market Value of the 2 subject properties we have made a forecast based on the information made available to us by the client of the value at a future date of 1st November 2018.

I am of the opinion that the Projected Market Values of the development properties if completed as at 1st November 2018 is as follows:

Lot 75749, New Decor Centre - P30, 000, 000.00 (Thirty Million Pula)

Lot 75782 – Headquarter Offices and Archive Warehousing P80, 000, 000.00 (Eighty Million Pula)

A Details of your Allocation of Offer Linked Units
This section provides information as to the number of Offer Linked Units you have been allocated based on your holding at the Record Date, being Friday 12 May 2017.

B Number of Offer Linked Units applied for
You can apply to accept either all or part of your allocation of Offer Linked Units (as detailed in section A). Enter in section B the number of Offer Linked Units you wish to accept from your allocation. Please note that if you do not wish to accept all of your allocation of Offer Linked Units you may Renounce the remaining allocation of Offer Linked Units in favour of another person (who need not be a Qualifying Unitholder) by completing the Renunciation Form and returning it to the transfer secretary, Corpserve Botswana.

C Number of Excess Linked Units applied for
In the event that Qualifying Unitholders (or their Renouncees) do not take up their full allocation of Offer Linked Units a pool of Offer Linked Units (“Excess Linked Units”) will be available to be allocated to those Qualifying Unitholders who apply for these Excess Linked Units. Should there be Excess Linked Units available, the pool of such Excess Linked Units will be allocated equitably, taking cognisance of the number of rights offer Linked Units held by the Qualifying Unitholders (or their Renouncees) immediately prior to such allocation including those taken up as a result of the Rights Issue, and the number of Excess Linked Units applied for by such Qualifying Unitholders (or their Renouncees). Non-equitable allocations of Excess Linked Units will only be allowed in instances where they are used to round holdings up to the nearest multiple of 100.

D Total number of Offer Linked Units applied for
Enter the total number of Offer Linked Units you are applying for. This should equal the sum of the allocated Offer Linked Units you are accepting (in section B) and the Excess Linked Units (if any) that you are applying for (in section C).

E Total amount due and acceptable forms of payment
Calculate the total amount due by multiplying the number of Linked Units detailed in section D by the Offer Price per Linked Unit of BWP3.10 and enter this total in section E.

Payment of the amount due may be made by cheque drawn in Pula or through an electronic transfer (“EFT”) payment.

A cheque must be dated not later than Friday 9 June 2017 crossed “not negotiable” and drawn in favour of “PRIME TIME PROPERTY HOLDINGS LIMITED”. The cheque should be attached to this Acceptance Form. Payment by EFT can be made to the following bank account:

| Bank: | First National Bank |
| Branch Name: | RMB Corporate Banking |
| Branch Code: | 287867 |
| Bank Account: | 62615304293 |
| Account name: | PrimeTime Property Holdings Limited |
| Swift Code: | FRNBWGX |
| Bank Address: | Plot 54362 First Place, CBD, Gaborone |

The proof of payment as issued by bank from which the EFT was made must be attached to this Acceptance Form.

The Transfer Secretary will deposit all cheques in an account for the benefit of PrimeTime and any interest on such deposits will accrue for the benefit of PrimeTime. Should payment be dishonoured for any reason whatsoever, PrimeTime may in its sole discretion regard the acceptance as invalid, or tender the relevant acceptance against proper payment, or legally compel proper payment against delivery of the relevant number of Offer Linked Units accepted. Any acceptance of the Offer Linked Units that does not comply with all the provisions of the Letter of Allocation may, in the sole discretion of PrimeTime, be accepted or rejected.

F Refunds
Any refund payments in respect of unsuccessful applications for Excess Linked Units by Qualifying Unitholders (or their Renouncees) will be made on or about Thursday 22 June 2017. Please note that if the information in section F is not completed or is incorrect, payment of the amount due will be held by the Company until claimed by the Qualifying Unitholder and no interest will accrue to the applicant in respect thereof.

Listing on the BSE
The BSE has granted a listing of the Letters of Allocation with effect from Friday 26 May 2017.

Renunciation and selling of Letters of Allocation on the BSE
Letters of Allocation can only be traded on the BSE by those Qualifying Unitholders who have Dematerialised Linked Units on the CSDB and therefore Unitholders who, following the mandatory dematerialisation of listed securities by the BSE, hold their Linked Units in the Omnibus account will have to open CSDB accounts and have the Transfer Secretary deposit their Linked Units and thus allow them to become Qualifying Unitholders and thereafter have their respective Letters of Allocation deposited to their CSDB accounts to enable them to trade them on the BSE.

Should an Offeree not have a CSDB account then one can be opened through any of the stockbroker members of the BSE and once opened the Offeree can instruct their stockbroker to arrange for their Linked Units and Letters of Allocation to be dematerialised to their CSDB account by the Transfer Secretary.

Lapse of Letters of Allocation
If Qualifying Unitholders fail to instruct the Transfer Secretary and/or stockbroker as to what action they intend to take or fail to comply with the procedures set out in the Circular, within the timelines stipulated, their Letters of Allocation will lapse and such Qualifying Unitholders will not be entitled to any payment/indemnification under the terms of the Rights Issue.

Qualifying Unitholders that do not take up their rights will continue to own the same number of PrimeTime Linked Units but their percentage holding in the Company will be diluted. None of the Company, the Transaction Advisor and Transfer Secretary or any broker appointed by them will be responsible for any loss or damage whatsoever suffered by such Qualifying Unitholders in relation to the lapsing of their Letters of Allocation.

Lodgement of Form of Acceptance
If the Transfer Secretary does not receive a properly completed Form of Acceptance from a Qualifying Unitholder together with proof of payment of the subscription price by Friday 9 June 2017 as set out above, the Transfer Secretary will treat the Form of Acceptance as invalid, the Offer Linked Units will be deemed to have been declined by the Offeree and the Letter(s) of Allocation issued to such Offeree or renounced through a sale of transfer of their PrimeTime Rights, will lapse, no matter who then holds such Letter of Allocation or PrimeTime Rights.

PrimeTime will not be obliged to investigate any matter in regard to the lodging of the Letter of Allocation.

Interest
No interest will be paid in respect of application monies.

Dematerialised Linked Units
In respect of those Offer Linked Units accepted and any Excess Linked Units allotted to:

- the Offeree, their CSDB accounts will be credited with the Offer Linked Units and Excess Linked Units (if any), by Monday 19 June 2017; or
- a Renouncee, their CSDB accounts will be credited with the Offer Linked Units and Excess Linked Units (if any) by Monday 19 June 2017.

Powers of Attorney
If the offer is accepted in terms of a power of attorney, or this Letter of Allocation is signed in terms of a power of attorney, such power of attorney or a certified copy thereof, must be lodged, unless the Transfer Secretary have already noted it.

Deceased Estates
Offer Linked Units will not be allotted and issued in the name of an estate. Where the right to Offer Linked Units devolves upon an estate, the executor or administrator, as the case may be, should follow the instructions set out above for Renunciation or selling of Letters of Allocation on the BSE.

Joint Unitholders
All joint Unitholders must sign each applicable form pertaining to the Offer Linked Units to which they are entitled. Their CSDB accounts will be credited resulting from acceptance of the Offer Linked Units to the joint Unitholder whose name appears first in the Linked Unit register.

Conditions of Renounceable Letter of Allocation and Circular

Alterations
The full signature of the person making the alteration must confirm all alterations made on the Letter of Allocation.
