Independent Auditor's Report

To the unit holders of Letlole La Rona Limited

Opinion

We have audited the annual financial statements of Letlole La Rona Limited set out on pages 10 to 53, which comprise the statement of financial position as at 30 June 2019, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, the annual financial statements give a true and fair view of, the financial position of Letlole La Rona Limited as at 30 June 2019, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the audit of the annual financial statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Parts A and B) (IESBA Code) and other independence requirements applicable to performing audits of annual financial statements in Botswana. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and in accordance with other ethical requirements applicable to performing audits in Botswana. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
**Independent Auditor's Report**

**Key audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the annual financial statements of the current period. These matters were addressed in the context of our audit of the annual financial statements as a whole, and in forming our opinion thereon, and the report below is not intended to constitute separate opinions on those key audit matters.

<table>
<thead>
<tr>
<th>Key audit matter</th>
<th>How the matter was addressed in our audit</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Valuation of the investment property</strong></td>
<td>Experts appointed by the management determined the fair values of the external properties. We assessed the competense and capabilities of the valuer by verifying qualifications and experience.</td>
</tr>
<tr>
<td>The company's significant assets are the investment properties in various segments. The values of these properties are determined using valuation experts in the field of real estate valuations.</td>
<td>We held discussions with these experts to gather an understanding of the various inputs, assumptions, estimates and process used in arriving at the values. We compared the valuation approach used by the valuer against IFRS requirements and Industry norms to confirm that the methodology was appropriate. The valuation method was comparable to those typically used in the market.</td>
</tr>
<tr>
<td>Significant judgement is required to determine the fair value of investment property, especially with respect to determination of appropriate capitalisation rates and net cash flows. We considered the valuation of these assets to be a matter of most significance to the current year audit due to magnitude of balances combined with significant assumptions associated with determining the fair values</td>
<td>We verified on a sample basis the underlying data used by the valuers, significant ones being rental yields, escalation terms and lease periods. We compared the capitalisation rates utilised in the valuation to rates used in historical valuations, general market factors (such as comparable bond yield rates) and property specific risk factors. These inputs were found to be within a reasonable range.</td>
</tr>
<tr>
<td>Our audit procedures have resulted in appropriate audit evidence with regards to the values of the investment properties.</td>
<td></td>
</tr>

</table>
Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "Lettole La Rona Limited annual financial statements for the year ended 30 June 2019", which includes the Directors' Report and the Detailed Income Statement, which we obtained prior to the date of this report, and the Annual Report, which is expected to be made available to us after that date. The other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Annual Financial Statements

The directors are responsible for the preparation and fair presentation of the annual financial statements in accordance with International Financial Reporting Standards, and for such internal control as the directors determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial Statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the company's financial reporting process.

Auditor's responsibilities for the audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors’ use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company’s ability to continue as a going concern. If
we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report; However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
