Errata to the Annual Report

Shareholders are notified of some changes made to the Annual Report as originally published.

These changes were necessitated as some errors occurred in the process of compiling the Annual Report.

These errors were limited to:
- Incorrect reference to the “Statement of Other Comprehensive Income” in the Auditors’ Opinion
- Incorrect page references in the Auditors’ Opinion
- Materiality referenced in the Auditors’ Opinion being too high
- Minor typographical errors in the Auditors’ Opinion
- The “Statement of Comprehensive Income” being incorrectly titled “Statement of Other Comprehensive Income”

None of these changes impacted the substance of the audit opinion or annual financial statement. However, in interest of upholding appropriate standards, we acceded to a request by our auditors to publish the corrected Audit Opinion and Statement of Comprehensive Income.
