Press Release
PRESS RELEASE

30 January 2013

EXTENSION OF OFFER PERIOD BY 7 DAYS TO DISCUSS DUE DILIGENCE

On behalf of Cathay Fortune Investment Limited ("CF Investment"), we confirm that CF Investment will extend, by 7 days, the period of its offer to acquire all your shares in Discovery Metals Limited ("Discovery") for A$1.70 cash per share, as detailed in the Bidder's Statement dated 25 October 2012 (as supplemented).

The new and material disclosures included in the Second Supplementary Target's Statement raise material concerns. These include, but are not limited to, the significant write-down of reserves in the Zeta open pit, the higher ratio of oxide/transitional ore to sulphide ore contrary to the expectations of publicly disclosed data, the much lower grades as compared to the reserves, and ore grade dilution. The extension will provide time for CF Investment to discuss with Discovery its requirement to conduct appropriate due diligence in order to understand and address these concerns.

The offer period will close at 7pm Sydney time (currently 10am Botswana time) on 15 February 2013, unless extended further. The formal notices of extension will be sent out shortly.
