TRADING NOTICE-Interim results for the half year ended 31 January 2011

The Board of Directors of the Company would like to bring to the attention of shareholders that the profit before tax for the half year ended 31 January 2011 is expected to be higher than the prior half year ended 31 January 2010.

In line with the Botswana Stock Exchange regulations, the Company will publish the Unaudited Interim Results for the half year ended 31 January 2011 before the end of March 2011.

“Shareholders are therefore advised to exercise caution when dealing in ordinary shares of Furnmart” until full announcement of the results is made”.
