

The Tanzania Capital Markets Roundtable & SADC Workshop

THE SERENA HOTEL
DAR ES SALAAM, TANZANIA
28 FEBRUARY 2024 – 1 MARCH 2024

FSD Africa in collaboration with the **Committee of SADC Stock Exchanges (CoSSE)** is organising a three-day, high-level capital markets roundtable and sustainability workshop in **Dar es Salaam, Tanzania** from **28th February 2024 – 1st March 2024** for SADC member countries.

Overall, the Capital Markets roundtable and the SADC sustainability workshop's objective is to facilitate strategic conversations on sustainable capital markets development given the critical role played by capital markets in mobilising both public and private capital.

The sessions are designed to be interactive and will shed light on the state of sustainability in the SADC region and discuss the opportunities for potential issuers and investors to use sustainability themes, intentional approaches, and guarantee mechanisms in enhancing achievement of sustainable development goals.

The sessions will leverage the expertise of key industry leaders, regulators, exchanges, government officials and a leading independent ESG and corporate governance research, ratings and analytics firm that will conduct the training sessions on sustainability policies and practices.
