

AFRICAN ALLIANCE AND STOCKBROKERS BOTSWANA ACCOUNT MIGRATION

Central Securities Depository Company of Botswana (CSDB) wishes to inform investors who previously held CSD accounts with African Alliance and Stockbrokers Botswana that their accounts and portfolios have been successfully migrated to Imara Capital Securities.

This transition follows the cessation of operations by the two aforementioned brokers and Memorandum of Agreements (MoA) with Imara Capital Securities. Therefore, to facilitate swift and seamless trading and to ensure continuity of investor service, all affected accounts and holdings are now under Imara Capital Securities.

The investors are informed that the migrated accounts are in a dormant/suspended status to enable proper onboarding by Imara Capital Securities.

All affected investors are therefore advised to contact Imara Capital Securities and submit the "Know Your Customer" (KYC) details and documents to activate their accounts.
