

PUBLIC NOTICE

INTRODUCTION OF THE DORMANCY MODULE

NOTICE TO INVESTORS AND STAKEHOLDERS

Notice is hereby given to all investors, account holders and relevant stakeholders that the Central Securities Depository Company of Botswana has introduced a Dormancy Module as part of its ongoing commitment to maintaining accurate account records, enhancing investor protection and strengthening compliance with the Financial Intelligence Act.

AFFECTED ACCOUNTS

The Dormancy Module will automatically classify a CSD account as dormant where the account information is outdated and no account activity has been recorded for a continuous period of five (5) years. This measure is intended to mitigate the risk of fraudulent activity, preserve the integrity of account information maintained within the CSD system and support compliance with applicable regulatory requirements.

EFFECTIVE DATE

The Dormancy Module is scheduled to go live on 2nd October 2026. Account holders are urged to ensure that their CSD account information is accurate, complete and up to date before the implementation date to continue receiving timely notifications relating to transactions and account activity.

ACTION REQUIRED

Account holders who need to update their

account information are advised to contact a Botswana Stock Exchange Limited (BSEL) licensed stockbroker **with immediate effect**. Failure to update account information may result in the account being classified as dormant upon implementation of the Dormancy Module.
